

A MESSAGE FROM THE BAR

I would like to thank all of members who have supported myself and my team over the last couple of months. These have been challenging times in trying to maintain a successful business and comply with the restrictions placed on bars and restaurants to prevent the spread and infection from the covid 19 virus.

We have tried to keep the tables and seating areas sanitised and compliant with the restriction in place but over the last couple of weeks we have noticed that members are beginning to move some of the furniture around.

I would ask that the tables and chairs are left in the positions placed by the bar staff and could you also please refrain from remaining at the bar after purchasing drinks and food as this causes concern for some of the other customers.

Lastly, I would ask that you remember to sign the book when using the bar as we do have an obligation under the locate trace scheme to maintain a verifiable list of customers.

I would also like to remind you that Happy Hour this week contains a £100 must go to a member who is present draw and I am putting on a barbeque the same evening, hopefully if weather permitting, we can have the barbeque outside. I am supplying the food free of charge.

My 40th birthday is fast approaching so I am using the Happy Hour evening as an opportunity to celebrate this event, so it would be great to see you at the club that night.

Kind Regards

James Cox
